

# The Queensland Chapter Newsletter

July 2006

## Hi There

Well there hasn't been much to talk about recently as we haven't had many aircraft involved in Aeros. Decathlon DEC was lost to us just after the National Titles at Easter and ZZZ the Pitts Special had a crankshaft crack and has had to have an engine rebuild which, of course, takes time!

## Clubhouse

The break (not the crankshaft type) has given us an excellent opportunity to focus on building the clubhouse and we have had great support from the core members of the club. Aply led by Bill Mudri and Brendan the project has progressed to the stage that the slab is now in position and over the next few weekends we will be assembling the 'shed' itself.

'The Start!'

The plan is to have a BBQ at the clubhouse on Saturday the 29<sup>th</sup> July 2006 and, who knows, the 'shed' may even be up by then so plan to drop by for the Barbie. More details will be sent by email soon.

'Hard at Work'

'Slab Done!'

## Bowling Night

We're planning to have a bowling night out somewhere around the middle of August (18<sup>th</sup>) and so get the shoes out and come and join us. More details to be issued on this shortly.

---

## ***Gambling Night***

Another Social Night in the planning is to have a Gambling Night which we will run ourselves (so that we don't lose too much money to the Casinos!). This will be in September so again, look out for the details.

---

## ***Qld State Championships***

As you are aware we have delayed the Championships from June to later in the year due to the absence of aircraft and hence competitors. Currently, the plan is to have the Championships on the weekend of 28<sup>th</sup>/29<sup>th</sup> October 2006. We're trying to squeeze it in this year in between the NSW titles and Christmas.

## ***Club House Contributions***

We might have the Club House but we still need more money to be able to complete the project. All you need to do is donate (or loan) \$600 to the club to go towards the

clubhouse. Either send the money to Tracy Hearne or drop me an email!

Cheers and see you in the air,
